

Kinderlime Parent Information

Kinderlime is the program we will utilize in our Kinder Care room.

This system is how you will check-in and check-out your child. You will receive an email/text message notification on how to finish the registration process.

When downloading the Kinderlime app, **please allow push notifications** as this is how we will get in touch with you if your child is ever in need of a diaper change, bathroom assistance, has cried for over ten minutes, or any other emergency.

Das Rec, New Braunfels Recreation Center will be using Kinderlime to stay connected with parents. You have been added to Child's name profile. Please follow the steps below to get started.

1. Download the free [iPhone/iPad](#) or [Android](#) app, or sign up on [Web](#).
2. Choose **Sign Up**, then **Parent**.
3. Click "**Add Child**" and enter this 6 character code:

Once signed up, you'll be able to receive photos, videos, messages, and updates about your child's daily activities. Anytime your child is dropped off or picked up, you'll know. You can also set up automatic online billing using your bank account or credit card once your school is set up.

Learn more about [Kinderlime](#) and our [mission](#). If you have any questions, visit our [Help Center](#).

Thank you,
The Kinderlime Team

Example email from Kinderlime

From the app, you will be able to add a parent, photo of your child(ren), and any information you feel is pertinent to your child's Kinder Care stay.

To add a parent, go to edit the child's profile and tap add a parent, then filling out all the information. Each parent/guardian will have a different code. **The parent who drops off the child must be the same parent to pick up the child.**

Thank you for entrusting us with your child while you enjoy Das Rec.
